Our family have been producing Limousin beef for over 30 years and we are proud to be farmers supplying top quality home-bred and home reared beef directly from our farm to your plate!

Limousin beef is renowned for its fantastic eating quality, exceptional flavour, succulence and tenderness.

We firmly believe that our choice of Limousin cattle together with our commitment to their welfare, traditional butchers skills and care that we take in nurturing our meat is why our Limousin beef is exceptional quality. Lean, tender and delicious.
