## Stall Holder Information

### Stall Price

**£90.00 for all 3 days**

**£40.00 for 1 day**

(price includes a 6ft trestle table in a marquee)

### Fair Opening Times

Friday 18<sup>th</sup> 9:30am – 5:00pm

Saturday 19<sup>th</sup> 9:30am – 5:00pm

Sunday 20<sup>st</sup> 9:30am – 4:00pm

- Stall holders will be selected based on products sold to ensure our Fair offers a range of gifts which will benefit both shoppers and stall holders.
- Priority will be given to those stall holders who are able to attend for the full three days.
- You will be able to set up your stall between 3:00pm and 5:30pm on Thursday 17<sup>th</sup> November or from 8am on Friday morning.
- A 6ft trestle table and a chair is provided for you
- You are very welcome to order food & drinks from the Bistro during the weekend.
- We hold a raffle in aid of Welburn Hall School which will be drawn on the Sunday afternoon. We kindly request that stallholders donate a prize towards the raffle.
- If you have requested electric, please ensure you bring an extension cable with you which has been PAT tested
- We will have a heater in the marquee but please bear in mind that as it is November the marquee isn't easy to heat and it is likely to be chilly when you're stood around all day so please wrap up warm. Due to fire risk we request that you do not bring your own heaters.
- Unfortunately we are unable to provide change for stallholders so please ensure you have enough in your float for the weekend.
- Please take any rubbish away with you at the end of the day.
- The postcode for Beadlam Grange is YO62 7TD
- Your stock can be left in the marquee overnight at your own risk, our insurance does not cover your stock. However, the marquee is situated in our house yard and we will be in the house at all times during the evenings.
- Last year during the night there was some condensation in the marquee which dripped onto the floor and stalls – therefore we strongly advise bringing waterproof sheets to cover your stall on an evening if small amounts of water are likely to damage your products.
